### BIO

Since the age of three, Phyllisia has passionately developed her craft of singing and playing the piano. Her unwavering dedication has allowed her to develop her vocal, instrumental, songwriting and production skills to master and incorporate several styles of genres in her music ranging from classical, R&B, jazz, soul, & world music in several languages (English, French & Kreyol).

The public adulation and recognition by music industry professionals are nothing new to Phyllisia. To date, she has collaborated with some of the biggest names in the industry such as Jah Cure, Marvin, Ne-Yo and The Game.

In 2014, Phyllisia's career reached a turning point when she decided to focus on the world music genre. The release of her single "KONSA" was the revelation- the public fell in love with her vocal style, exceptional musicality, use of multiple languages and homage to Phyllisia's Haitian roots in its kompa production style. The success is there and continues with many hits like " MA VIE SANS TOI " featuring French singer-songwriter Marvin, "ONLY FOR YOU " which mixes R&B, kompa and electronic music production styles, "U & Me" which features authentic reggae production, " CAN' T RESIST " which contains kizomba elements, " ONE " an upbeat, summer afro-pop tune and " DI MWEN " a subtle mix between soul, R&B, kompa and zouk.

These hits have brought Phyllisia around the globe including to countries such as Canada, USA, Ivory Coast, Haiti, France, Guyane, Jamaica, Mauritius, the Netherlands, La Réunion, Martinique, Grenada, Bermuda, St. Kitts, Trinidad, Guadeloupe and many more! In addition to being an artist, Phyllisia prides herself on putting education and business at the forefront of her career. Phyllisia is a 100% independent recording artist who runs and operates her own music production company, PHYLLISIA ROSS MIZIK. She also has a degree in biology (obtained while touring and performing!) from the University of Miami.
